PR DAY 2026
TMC INNOVATION HUB | OCTOBER 28, 2026
SPEAKER PROPOSAL DEADLINE: SEPTEMBER 11 @ 5 P.M. CST

ABOUT PR DAY

Join public relations and communications professionals of all levels for the largest single-day gathering of public relations and communications professionals in Texas, with 150+ attendees from the greater Houston area. You do not have to be a PRSA Houston member to attend!

PR Day will be held in person at TMC Innovation Hub on Wednesday, October 28. The day will have a breakfast panel, luncheon keynote, and four sets of three speaking tracks, including:

- Emerging Trends & Innovation,
- Strategic & leadership focused,
- And elevating your PR skills

This year, we celebrate the theme "Amplify Your Voice," a call to action for communicators to elevate diverse perspectives and empower their audiences. Much like those who use their voices to uplift others, genuine storytelling resonates deeply with the work we do as communicators. Just as community leaders use their platforms to share stories and connect with their communities, our role is to authentically tell our narratives and forge meaningful connections.

During our program this year, we are committed to bringing together influential figures from the PR industry to showcase these vital skills. Our attendees will have the opportunity to learn invaluable techniques, such as effectively navigating communication during crises, or discovering innovative strategies to bring back to the workplace. PR Day provides a jam-packed day of learning, empowering PR professionals to elevate their expertise and excel in their field.
